Subject: Service Endorsement – Paramount Pest Solutions

To Whom It May Concern,

This letter serves to confirm that Paramount Pest Solutions has provided pest control services at Total Service Station (**Sesheke Service Centre cc**), covering multiple operational areas including our storeroom, kitchen facilities, eating area, and kiosk.

Their scope of work included the effective management and treatment of cockroaches, flies, and ants, which were areas of concern within our day-to-day operations.

We have found their service to be well-coordinated, responsive, and suited to a busy commercial environment. The team demonstrated a clear understanding of hygiene-sensitive areas and carried out the work with minimal disruption to our operations.

Since their intervention, we have observed a noticeable improvement in pest activity levels, contributing positively to our cleanliness standards and overall customer environment.

Based on our experience, we are satisfied with the service provided and can recommend Paramount Pest Solutions to other businesses requiring dependable pest management solutions.

Should further information be required, please feel free to contact us.

Yours faithfully,

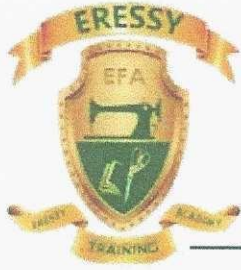

Siambango Hans
